

## Calling all Servant Leaders! Project HOPE Needs You!

Did you know Project HOPE, the City of Chicago, and The Hellenic Foundation formed a partnership to serve people in need where they live? It's true! Now Project HOPE needs you to extend Christ's love person-to-person!

Project HOPE volunteers have a unique opportunity to meet, engage, and serve low-income senior citizens in Chicago. Through the partnership volunteers have been organizing and delivering nutritious, shelf stable meal bags to low-income senior citizens throughout 2024.

If your parish has an active volunteer base and enjoys meeting and serving people in need, register a visit to a senior center today!

How to Participate	What to Expect
<ul style="list-style-type: none"> <li>It's simple! Recruit a team, choose a date, order and organize groceries, and bring Christ's love to your visit with residents!</li> </ul>	<ul style="list-style-type: none"> <li><b>Gratitude.</b> The residents we serve are extremely grateful and appreciative to not only receive gifts, but also to meet and talk with the gift-givers.</li> <li><b>Fellowship.</b> Many of our volunteers want to get to know residents, hear their stories, and just have a fun time.</li> <li><b>Impact.</b> Our volunteers know they are making a difference by serving people and meeting their fundamental needs in Christ!</li> </ul>

### Schedule a Project HOPE senior center visit

Go to [www.chicago.goarch.org/ministry/hope](http://www.chicago.goarch.org/ministry/hope) and follow the instructions.

### About Project HOPE

Project HOPE (Humanitarian Outreach and Philanthropic Engagement) exists to serve families, children, and individuals by partnering with Metropolis of Chicago parishes and local nonprofit networks to help achieve food security and stable housing. For more information, visit: [www.chicago.goarch.org/ministry/hope](http://www.chicago.goarch.org/ministry/hope)
