GUIDELINES FOR PARISH CHAIRPERSONS

1. The Metropolis Festival will offer six categories (Speech, Essay, Poetry, Iconography, Vocal Solo and Vocal Chant) in each of two divisions (Junior and Senior), for a total of twelve events that will be judged. Each participant may compete in as many as two separate events for the Metropolis Festival. If a participant chooses to compete in two events, the participant must prepare two independent submissions (a) for two different categories, and (b) each addressing a different topic from the official list of topics identified below. (The requirement for two different topics would apply only if the two categories chosen were among Speech, Essay, and Poetry.) The participants with the top scores in each of the ten events at their individual Parish Festivals will move on to the Metropolis Festival. Each parish, therefore, may enter a maximum of twelve participants, one for each event.
2. Each Parish Chairperson should read through this packet and become familiar with the rules of the Metropolis Festival, as well as the rules for the Archdiocese Festival published at <http://www.goarch.org/-/st-john-chrysostom-oratorical-festival>. The Parish Chairperson also should copy and distribute appropriate pages to the participants.
3. Each Parish Chairperson is responsible for publicizing and hosting his or her individual Parish Festival. Helpful information for hosting your Parish Festival is available on the Archdiocese site above. You should encourage your youth to participate in your Parish Festival and aspire to compete at the Metropolis and Archdiocese levels. Let them know that by witnessing their Christian Faith, everyone is honored by God and that the Holy Spirit blesses each person with spiritual talents, be they in speaking, writing, iconography, or singing. You may even consider giving appropriate awards and incentives. If need be, use Sunday Church School time to work on the submissions and performances if there is a lack of home time. Also, be sure to offer constructive help.
4. Each Parish Chairperson is responsible for completing and submitting a Participant Registration Form (for each Metropolis Festival participant from his or her parish) and a Parish Chairperson Registration Form (for him/herself). The proper Chicago Metropolis forms for the current year will be sent separately to each parish along with the required deadline and instructions for submission.
5. Each Parish Chairperson is responsible for transmitting and/or delivering each of his or her parish's Metropolis Festival submissions. Before doing so, the Parish Chairperson must ensure that each submission adheres to these Guidelines and the criteria for the individual events contained in this packet. Additional transmission and/or delivery instructions will be sent separately to each parish along with the required deadline.
6. If the participant with the top score in either the Junior Speech Division or Senior Speech Division events at the Parish Festival is unavailable to compete at the Metropolis Festival, the parish should send the participant with the next highest score in that event.

UNDER THE AUSPICES OF THE OFFICE OF YOUTH AND YOUNG ADULT MINISTRIES

7. All Parish Chairpersons are requested by His Eminence Metropolitan Nathanael to attend the Metropolis Festival and the Awards Luncheon, which follows. At the conclusion of the Awards Luncheon, the Parish Chairperson should gather all of the parish's submissions. The Host Parish will not be responsible for mailing any items left behind.
8. Each Parish Chairperson should arrange with his or her Parish Priest to honor the participants who receive awards at the Metropolis Festival and have them display or perform their submissions.

CRITERIA FOR PARTICIPANTS

JUNIOR AND SENIOR SPEECH DIVISIONS

(Please reproduce this page for all participants and judges.)

GENERAL CRITERIA

Topic: Your speech topic must be taken from the official list on the Archdiocese Festival website (<http://www.goarch.org/-/st-john-chrysostom-oratorical-festival>) for the current year and be delivered in English, without the use of any audiovisual materials. Please note that there are different topics for the Junior and Senior Divisions. All speakers are expected to have prepared their own speeches through research and personal experience. Quotations should be used effectively as supportive material and must have sources identified.

Length: The length for speeches is **3-4 minutes for the Junior Division** and **4-5 minutes for the Senior Division**. A 15-second grace period will be given to speakers who run under the minimum or over the maximum time restrictions. The *penalties* assessed will be one point lost for every five seconds beyond the 15-second grace period, either under or over the time restrictions. These points will be deducted from each judge's TOTAL POINTS found at the bottom of the Speech Evaluation Form.

Submission to Metropolis Festival: If you advance to the Metropolis Festival, a copy of your speech must be typed (**double-spaced, Times New Roman, 12-point font, in Microsoft Word format**) and given to your Parish Chairperson to submit before the deadline. You must print your full topic and topic number at the top of the first page. You must also include your name/address/phone number and your church's name/address/phone number on a **separate page** attached to the end of your speech. It is important that **none of your personal or church information** appears on any of the content pages of your speech.

Delivery of Speech at Metropolis Festival: The delivery of your speech must largely be given from the lectern and should *not* be a dramatic presentation. If you advance to the Metropolis Festival, your topic question will be read aloud to the judges as you approach the lectern. Before you begin, you should acknowledge the audience, including all dignitaries present. Additional instructions regarding delivery, order, and judging will be given at the Host Parish on the day of the Metropolis Festival.

EVALUATION CRITERIA

Your speech will be evaluated according to the following:

CONTENT

Organization: Your speech content should be effective and organized with a clear introduction, body, and conclusion.

Persuasiveness: You should offer persuasive arguments and a clear point-of-view, rather than just summarizing the topic.

GREEK ORTHODOX METROPOLIS OF CHICAGO

Performance of Vocal Chant at Metropolis Festival: The performance of your Vocal Chant must be *a cappella*. You may not use a microphone to enhance your natural voice.

You need not perform your Vocal Chant from memory. A music stand will be provided in the judging room for your use.

Before you begin your Vocal Chant, you should acknowledge the audience, including dignitaries present, and state the following information: title of the hymn, the theology the hymn professes, the service of the church in which the hymn is chanted, the category of the hymn (Apolitikion, Kontakion, Megalinarion, Koinonikon, or Other Troparia), your reason for choosing this particular hymn to perform, and if known, the composer and year of the hymn's composition.

If you choose to warm up briefly before beginning your Vocal Chant, you should indicate this to the judges. Additional instructions regarding performance, order, and judging will be given at the Host Parish on the day of the Metropolis Festival.

EVALUATION CRITERIA

Your Vocal Chant will be evaluated according to the following:
